2018 Voluntary Contributions and Charges – Kindergarten to Year 6

Dear Parents/Carers

The 2018 Voluntary Contributions and Charges have been endorsed by the School Council. In 2017 the school introduced an option of online bank transfer for school payments, we trust this will make the payment process easier for our parent community.

Table 1 – VOLUNTARY CONTRIBUTIONS

In line with the School Education Regulation 2000 the amount of school voluntary contributions parents/caregivers are being asked to pay are:

Kindergarten: \$50

Pre-Primary to Year 6: \$60

Funds will be used to supplement school expenditure in the curriculum areas outlined below. While the contributions are voluntary the quality of our teaching and learning programs will be maximised when families make a contribution to supplement the funding received from other sources, including the State and Commonwealth Governments.

Voluntary Contributions may be paid in advance of the school year, at the beginning of the school year, or on an agreed payment plan throughout the year.
