2026 Voluntary Contributions and Charges – Kindergarten to Year 6

Dear Parents/Caregivers,

The 2026 Voluntary Contributions and Charges have been endorsed by the School Council.

VOLUNTARY CONTRIBUTIONS

In line with the School Education Regulation the school voluntary contributions parents/caregivers are being asked to pay are:

Kindergarten: \$50 per child

Pre-Primary to Year 6: \$60 per child

Funds will be used to supplement school expenditure in the curriculum areas outlined below. While the contributions are voluntary the quality of our teaching and learning programs will be maximised when families make a contribution, to supplement the funding received from other sources, including the State and Commonwealth Governments. Contributions collected at Gibbs Street Primary School contribute to items including resources to support student activities, photocopied materials for Teaching and Learning programs, reading books, Library resources, Physical Education resources and Learning Area resources.

Voluntary Contributions may be paid in advance of the school year, at the beginning of the school year, or on an agreed payment plan throughout the year.
